Restoration Rec | a Restoration Ranch program....

Restoration Ranch has many pathways to Reach, Resonate, and help our community Restore for the Glory of God. Our PE Program is just one way! Please see the following to learn more about what we do and how to get involved.

More about Restoration Rec...

What is it and how it relates to Restoration Ranch!

Restoration Rec is a program Restoration Ranch started with the hopes to help just a few families keep their kiddos active. Little did we know that it was such a great need in our community. Our mission at Restoration Ranch is to provide a unique platform for the community that will strengthen and enhance relationships, fill gaps that will develop people and their families, and create a variety of activities in a convenient location, in order to share the good news of the Kingdom of God. So we have continued this program and are looking forward to continually adding to this program each year.

With our volunteer leadership team, great relationships with local sportsplex, and our very qualified

Ranch staff, we have developed a top tier PE program. Our program keeps the younger kids moving and introduces to physical fitness mixed with lots of fun; As well as training the older students to push themselves for military PT testing and introduce them to a variety of sports. All while having a blast! As we continue to add multiple sites we plan to add more concentration in sports and develop a Christ center sports program. If you have a passion for PE, Sports, or just a passion for helping kids reach their goals, we are looking for quality people. Please reach out to learn more.

We look forward to an awesome semester and thank you all for your support. We couldn't do
